3. The purchaser shall not sublet the harvesting of pasturage without previous sanction of the District Forest Officer. When such sanction is accorded, the sub-lessee will be bound by all the terms and conditions of the sale jointly and severally with the original purchaser. The purchaser shall furnish a list of men allowed to enter the plantations, etc., to cut and remove grass and shall hold himself responsible for breach of any of the Forest Rules and for the occurrence of fire in the plantations, etc., due either to himself or his men, which will be dealt with under the provisions of the Mysore Forest Regulation. He shall deposit a sum equivalent to 10 per cent of the purchase money for the due fulfilment of the lease and shall execute an agreement for that purpose.

4. The purchaser shall not scrape or dig the grass in the plantations, but shall only cut and remove it or graze it.

5. The grass crop in the plantations will be allowed to be cut and removed or grazed only between sunrise and sunset up to the end of the period stipulated, *viz.*, end of December 1931. No storage of grass will be allowed in them. Cattle will be allowed to graze in the plantations only between sunrise and sunset.

6. The purchaser shall not interfere with any forest operation such as planting, sowing and felling that the Forest Department may wish to conduct in the leased area. Should any damage be caused by such operations to the grass crop, he shall not be entitled to any compensation.

N.B.—The lessee will maintain the fencing, trench and other boundary marks in order.

7. Tree growth should not be injured or lopped.

8. In the event of a breach of any of the conditions specified in the sale notice or agreement, the lease will be liable to be cancelled, all the produce collected confiscated and a penalty not exceeding Rs. 25 levied and recovered as an arrear of land revenue by the District Foresr Officer and the security deposit or part thereof forfeited.

S. VENKATAVARADIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Dated 19th June 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 15th July 1931, for Restoring Veerasagara Minor Tank, Register No. 116, Magadi Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1932.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for Restoring Veerasagara Minor Tank of Magadi Taluk", in default of which, tenders will be relected.

5. The final acceptance of any tender will rest with Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled, and the earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements quality, of work, etc., and in all disputes of any kind the decision of the Chief Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of work and lumpsum provisions are subject to modifications as per data worked out during execution. For individual items of work under lumpsum provisions the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

13. Part rate will be paid for any item of work at the discretion of the Executive Engineer, the payment of balance rates being reserved till the completion of work, as a guarantee that the work will be completed in the specified time.

Notification dated 17th June 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 15th July 1931, for improving Matanhalli Minor Tank, Registered No. 254 of Hoskote Taluk.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1932.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. (150) one hundred and fifty in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Improving the Matanahalli minor tank of Hoskote Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements quality of work, etc., and in all disputes of any kind the decision of the Chief Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of work and lumpsum provisions are subject to modifications as per data worked out during execution. For individual items of work under lumpsum provisions the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

13. Rates for masonry include bond stones to the required percentage at the required intervals of the quality and size to be specified.
